DuPont de Nemours & Company, et al., Cause No. 4:05CV2314FRB (Docket No. 29).

This Court has discretion to order matters consolidated pursuant to Rule 42(a) of Federal Rules of Civil Procedure, which provides:

When actions involving a common question of law or fact are pending before the court, it may order a joint hearing or trial of any or all the matters in issue in the actions; it may order all actions consolidated; and it may make such orders concerning proceedings therein as may tend to avoid unnecessary costs or delay.

Fed. R. Civ. P. 42(a). The Rule requires only that there be a common question of law or fact, even if the claims arise out of independent transactions. 9 Charles A. Wright & Arthur R. Miller, Federal Practice and Procedure §2382 (2d ed. 1995).

The above-mentioned cases and the instant case involve Plaintiffs who have filed suit against Defendants E.I. Dupont de Nemours and Company, Pioneer Hi-Bred International, Inc., and Monsanto Company in thirteen states, alleging similar factual allegations regarding the purchase of genetically-modified crop seeds manufactured and/or sold by Defendants during the time period relevant to this action. The parties have filed a joint motion requesting consolidation of the thirteen cases. Inasmuch as the thirteen cases involve common parties and common issues of fact, the undersigned finds that consolidation of the proceedings will serve the interests of convenience and economy in administration and avoid unnecessary cost or delay. Enterprise Bank v. Saettele, 21 F.3d 233, 235 (8th Cir. 1994).
